

**Points discussed and resolutions taken during pre-bid conference on 3.8.2012. ( This is in continuation to minutes uploaded)**

The whole work is divided into two parts.

**Part I : Digitization and Georeferencing.**

Cost is inclusive of service tax and income tax.

**Rate of scanning for A0 and A2** size sheets may **be quoted separately IN COMMERCIAL BID** inclusive of applicable taxes such as service tax and income tax. The rate should be quoted as follows:

i)if scanner is provided by ARSAC/ASTECC.

ii)if scanner is provided by vendor.

If required scanning work will be given to vendors. Cost of scanning will be treated separately and will **not be taken into account** under ANNEXURE-C ( PRICE SCHEDULE).

**Part II : Printing of digitized sheet.**

It should be exact replica of the original map. For quality checking hard copy should be in tracing paper (75 micron polyester paper and final copy should be in 100 GSM sheet. Printing rate should be inclusive of all applicable taxes. VAT will be deducted at source for printing.

- In case of **EMD Bank Guarantee** may also be submitted with validity of one year and should be submitted along with technical bid.
- Who has already bought the tender paper by producing DD are requested to submit the Xerox copy of the **money receipt** along with technical bid.
- **NRSC/ISRO certification** for digitization related work will be given additional weightage.
- List of work done by vendors, which they are going to attach with the technical bid as **work experience should be of digitization in nature related to GIS activity.**
- **Security of data** should be given utmost importance. Penalty will be imposed if data is leaked.
- Vendors are required to submit Complete address along with Police Station of personnel to be deputed for work at ASTEC.
- Security amount will be retained for a period of one year.
- Any change in methodology related to georeferencing given by ISRO has to be accepted by the vendor.
- Softcopy of **sample work** done by the vendor has to be submitted along with technical bid.
- There will be **no advance payment.**
- 3' X 3' grid will be provided by ARSAC
- SOI toposheet in 1:50,000 scale will be provided by ARSAC if necessary.
- Ortho Rectified **satellite data will be provided by ARSAC / ASTEC.**
- **ANNEXURE –D and ANNEXURE – E ARE TO BE SUBMITTED BY THE SELECTED BIDDERS ONLY AGAINST PROVISIONAL WORK ORDER BUT BEFORE ISSUE OF FINAL WORK ORDER.**

**DIRECTOR, ASTEC**
